Remember my children

Joshua 23

These questions are given as a guide. Please do not feel you have to read them out as written – make them your own in leading us through together. The important thing about our Word time is that we get to applying the Word to our lives and not just do a Bible study, so make sure that questions and prayer and ministry in response helps in this.

Word

The example that we find in Joshua helps every Christian to understand the value of blessing each other : in our family and among the church.

READ Joshua 23

Can you find what actions that Joshua did and what he is requesting his people to do in these verses?:

Verse 1, Verse 6, Verse 8, Verse 11,

We relate Joshua with Jesus and find a wonderful teaching. Joshua knows that his time has come and he gathers his people and gives his final words (he blesses his people): Encourages us to keep and to do the word of God; to hold fast to the Lord and to take careful heed of ourselves that we love the Lord our God. That was the desire, the last will of Joshua for his people. Remember my children this... Joshua 23: 6,8and 11.

Jesus before He gather His Father in Heaven He told his disciples to love Our God and to love one another (He blesses His people). That was His desire but not His last will because He is ALIVE and is coming back again. That's why we must desire to bless our people (our natural family and our spiritual family). To live the day in blessing others (if I love God I love others)as if I am living a day before Jesus comes giving my 100% in blessing with a word or and action today because Jesus left this commandment and He is coming soon!

Remember my children this....John 15:12
