Joshua 24

These questions are given as a guide. Please do not feel you have to read them out as written – make them your own in leading us through together. The important thing about our Word time is that we get to applying the Word to our lives and not just do a Bible study, so make sure that questions and prayer and ministry in response helps in this.

Word

Joshua gives the people a mini history lesson to remind them of where they have come from.

How important is your own Christian heritage? (i.e your own faith journey)

'As for me and my household, we will serve the Lord'.

What do you see as your own personal responsibilities before God in how you serve Him?

Joshua said that the people were likely to forget God, to 'break covenant' as it were.

What are some of the pressures that we face in today's world that can potentially lead us to break covenant?

Darren spoke about making/renewing covenants ourselves – discuss with each other how you are getting on with this.

In what areas are you having 'victory', and in what areas do you still need the Holy Spirit to give you extra grace?
