

Cell Groups - week commencing 28 November 2010

WORD

“Believe the best in people - Joseph” Matthew 1: 18-25

- Are any members willing to share their experience of taking some responsibility in life reluctantly or unwillingly?
Did it turn out better or worse than expected, and if so, why?
- If any members have had a dream or vision, which they believe was a message from God, could they share them with the group?
- By what other means can God speak to us?
How can we practise hearing from God?
- Pray for one another to be able and willing to hear from God.
